

WiFi Hotspot

The North Babylon Public Library offers a mobile WiFi hotspot as part of its circulating collection. A hotspot may be checked out by any NBPL cardholder whose card is in good standing (non-expired accounts neither with fees exceeding the fine threshold or any other blocks) and is over the age of 18. Borrowers must sign a WiFi Hotspot Agreement form or have one on file before checking one out.

A hotspot may be borrowed for 7 days, non-renewable. They cannot be reserved. Overdue charge is \$5.00/day. Hotspot services will be cancelled once the hotspot is 10 days overdue.

The library is not responsible for any liability, damages or expense resulting from use or misuse of the device, device connection, or data loss resulting from use of the device. Any use of the device for malicious intent, libelous, slanderous, pornographic/obscene, copyright violation, or illegal purposes is prohibited.

The hotspot circulates with a hotspot, USB charging cable, manual, carry case and copy of this policy. The user is responsible for returning all items in good condition. The user will be responsible for the cost of repair or replacement of the item if it is returned damaged.

A hotspot must be returned inside the library at the circulation desk; it must not be returned in the book drop nor to another library. This is a fragile piece of electronic equipment. If placed in the book drop it will become damaged. The user will be held responsible for damage to the hotspot if it is returned in the book drop. A hotspot returned via a book drop or another library will result in a \$10.00 fine and loss of privilege of future hotspot loans. If damage to the device is discovered by library staff, these costs will be added to the patron's account. All components (hotspot, manual, USB charging cable, carry case, policy) must be present upon return for the library to consider the item checked in. Failure to return the hotspot will result in a charge for full replacement; criminal action will be taken.
