

Background Checks

The North Babylon Public Library reserves the right to conduct background checks for applicants without sufficient library references to determine a finalist's suitability for employment.

Applicants who are being considered for employment will be asked to authorize a background check in writing and are asked to supply: name, social security number, date of birth and signature. Many background check firms ask if we have such documentation prior to execution. Many background check firms will forward results to the applicant. If there are disputes about the accuracy of the information, it is the applicant's responsibility to insure corrections.
