Report for the Board of Trustees May19, 2026

Communications

We received our request to approve the 2026-2027 tax payments from the NB School district (see Exhibit A)

I received an email regarding a free birding backpack program from the NYSDEC. I applied to receive one or two for our Library. Hopefully we fit the criteria and receive them.

We were contacted by NYS Department of Labor that the former Director did not submit the paperwork for the Renovation project with them. We will be contacting the construction company and the architects to submit the proper paperwork.

Policy of the Month

None at this time.

Personnel

Our Head custodian has hired a substitute custodian. He is available to work evening which will help tremendously with covering certain shifts.

Interviews are underway to fill the Adult programming librarian position. There are several strong candidates.

I am hiring one substitute Librarian. I will train her towards the end of the month.

One of the pages has resigned. The Teen Librarian is interviewing to replace the position.

We received the Director list and are sending out letters to prospective candidates

Buildings and Grounds

The air/heating system continues to be temperamental. We have four zones (2 in the original building, 2 on the renovation side) for the Library. On any given day one of the older zones is blowing cold when it is hot or hot when it is cold. Our computer technician has been working with the company that services our system to try and correct this never-ending issue.

I have contacted Able Locksmith to receive a quote to replace the current outside locks on the Library. These locks have not been changed in over twenty years.

I am also in the process of looking for companies to clean our vents and ducts in the Library. I am not aware of this being done in years.

We had recent maintenance of the dumb waiter, lift elevator and the roof.

Lisa and I are working on compiling current list of our contracts (landscaping, elevators, etc.).

Security and Vandalism

None at this time.

Public Relations

Patrons are very pleased with the addition of the Waterdrinker Farm.

I submitted paperwork to add the Finks Country Farm as a new museum pass.

I approached the Lions Club about the Library having a table at the upcoming Street Fair on May 31st. The Head of Circulation and I will be attending representing the Library. This will be the first time the Library will have a table at a street fair. I am hoping for the Library to attend more fairs in the future.

This year I ordered more Adventureland and Aquarium discount tickets than the previous years. They are extremely popular with our patrons. These invoices are administered through our Cultural Programming fund. I exceeded the money currently in this fund. I am requesting that we move money from our General Fund to the Cultural Programming Fund. We can then pay the SCLS invoices and will be reimbursed the fees from the tickets purchased by our patrons. (see Exhibit B)

Requests for Purchase

The Children's room has ordered a new couch for parents to use in the play area.

Unmet Needs

With the support of the Library's Board of Trustees we are continuing the process of addressing issues presented by the staff and patrons of the North Babylon Public Library.

Trustee Training

None at the time.

Other Items of Interest

One of our patrons approached the Library to have some of his engagement photos taken at the Library. He and his fiancée are book lovers and thought it would a different photo for them to do. It will take place on one of my Tuesday nights.

We are finalizing plans for the Summer Reading Club.

We are ordering new items for the Library of Things. Items will include more outdoor games, DVD player and coin sorter. We are reviewing more items to purchase for this collection.

I have booked our first Outdoor Movie Night. It will occur on a Monday night in August. Tai Chi classes have been scheduled for the summer. We have had several requests for it and I found a recommended instructor who is also reasonably priced.

Respectfully submitted,

Maureen Nicolazzi, Librarian III

Reference Department April 2026 Report

Senator Martinez's office was here to assist patrons. The Arbor Day giveaway this year was a Sand Cherry bush. We provided over 40 seedlings to our patrons. The Town historian, Mary Cascone presented a lecture on the famous estates of North Babylon. A new art/ craft instructor, Danielle taught a fun class called Pop Art Pet Portraits. Yoga classes are very popular. The computer class for this month was an Introduction to iPads and iPhones. Patrons thoroughly enjoyed the Slice of Cake Painting class. The tweens did another program in our Team Up! Series and made garlic knots with their adults. Our afterschool gaming program has been getting more and more regular teens. There were 100 items of food donated by our teens for community service credit and our bookmark bags were checked out 4 times this month.

Our seed library was again super popular and this month had a total of 224 people. In the first week alone, we had 100 patrons pick up seeds. Katrina posted 6 new videos to our YouTube channel. The channel received 757 views. There were 21 log ins for our 100 Books before Graduation Program. Katrina and Kirsten finished weeding the adult fiction books. Kirsten and I continue to input the information for the NYS Annual Report. Lisa and I finalized preparation for the Budget vote. Lisa and I also revised the Library Director job description for submission to Civil Service. Our social work intern, Katrina Shea was busy organizing clothing for our first Clothing Swap. I ordered another new museum pass, Finks Country Farm in Calverton. We are one of the first libraries to have this as a museum pass. Patrons are already booking the Waterdrinker pass. The National Library Week raffles were very popular. Patrons were very excited to win the baskets and the Aquarium tickets. I interviewed a librarian for a substitute Librarian position.

Katrina was a chat moderator on April 8th for the CSLP Summer Reading Slogan and theme committee zoom meeting. Katrina attended the Fran Romer Workshop on April 16th at the South Huntington Library where she heard a teen author speak and participated in a book discussion. Katrina and Kristen attended the Robert Moses Middle School Literacy Night on April 23rd. I attended the Head of Reference meeting at SCLS. I also attended the Town of Babylon Directors meeting. Kirsten attended a meeting at SCLS on preparing the NYS Annual Report.

The teen book displays were "Read it and Weep" that featured sad books and "Check out our new manga!" which featured many of our new manga series. The Adult displays included: Stress Awareness Month with different books about how to combat stress, Earth Day display with books about different topics relating to the Earth such as recycling, endangered animals, Ellis Island and New Movies/TV series
